Streaming

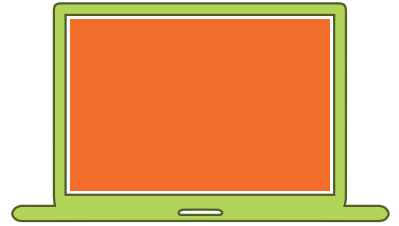

EVENTIT Live is streamed in high quality video with two-way audio communication between you and the dealer. This service allows you direct access to all the furniture, you would otherwise have to travel far to find. Just book a session, and EVENTIT Live will be ready to assist you.

Moving through the rows of furniture in the warehouses, you can stop to take a closer look at any item you like. EVENTIT Live will let you examine the furniture as you are given a thorough description of the product.

You can guide the camera wherever you like.

- Buy vintage furniture directly from your home or office.
- No travel expense or time away from your business.
- Direct communication with an English-speaking dealer or Japanese-speaking host.
- Professional staff & equipment guarantee the perfect buying experience.
